There is no evidence that children transmit the disease any more than adults.

The school are following the guidance [Guidance for full opening: schools](#)

Public Health England advice the following measures to minimize coronavirus (COVID-19) risks in school environments;

- a requirement that people who are ill stay at home
- robust hand and respiratory hygiene
- enhanced cleaning arrangements
- active engagement with NHS Test and Trace
- formal consideration of how to reduce contacts and maximize distancing between those in school wherever possible and minimize potential for contamination so far as is reasonably practicable
